

MCKINNEY LACROSSE HOMEFIELD SPONSORSHIP PACKAGES

Thank you for your interest in sponsorship opportunities for the McKinney Lacrosse club.

The McKinney Lacrosse Club is a non-profit 501(C)3 organization formed to develop the lacrosse skills and talent of the players who participate on its teams, educating them about the sport and competition and developing their love of the game. We seek to provide a positive and enriching lacrosse experience for all players, with appropriate opportunity for growth and competition.

We strongly believe that the following are an integral part of any player's lacrosse experience:

- Trust
- Character, integrity, and sportsmanship
- Skill development and competition
- Teamwork
- Respect for the game and teammates
- Memorable family experiences
- & Fun!

Our objective is to provide a safe, competitive environment for student athletes and families in order to grow exposure and participation in the Club programs. Since most of the staff are volunteers, your generous support will help with the day to day operations which include, but are not limited to: coaches' salaries, field usage, referee fees, travel expenses for the teams for tournament play, and basic operations like websites and other programs needed. By having the extra support for these costs we can pay it forward to the athletes with lower registration fees, which will help us grow the sport leading to more opportunities for the kids to play.

The sponsorship we are promoting right now is the signage at Bonnie Wenk Park. Below is the information regarding the banner options available and the benefits. The banners will be put up as soon as possible after payment and will stay on display until January 2025. At which time you will have the opportunity to renew for another year.

We are working on rolling out larger sponsorship opportunities that will include the annual golf tournament and any other ideas we can come up with. We welcome your suggestions as we look to enhance and expand our corporate sponsorship program in future years.
